Arrowtown on Wednesday 5<sup>th</sup> to Friday 7<sup>th</sup> July 2023.  
Please join us for this important society event and also encourage  
others who are working or studying in related fields to participate.

**5<sup>th</sup> to 7<sup>th</sup> July**  
Millbrook Resort, Arrowtown,  
New Zealand

# Human Factors and Ergonomics Conference

# 2023

## Call for Papers

We welcome abstracts relating to our conference theme of *HFE serving people and the impact human factors and ergonomics can make* which concerns all aspects of human factors and ergonomics, including practical application, methods development, research, and industry issues. Papers that emphasise cognitive and/or physical ergonomics, health and safety, HF systems, design, human/machine integration, diversity, inclusion and/or innovation are all welcome.

A one-step submission process will apply. Simply choose to submit an abstract, full paper, poster, or workshop session.

Important dates and review process
Abstract submissions open: 17 January 2023
Abstract submission close: 3 March 2023
Abstract notifications by: 27 March 2023
Full paper submission (optional) close: 24 April 2023
Full paper notifications by: 22 May 2023

## Submission guidelines

**Abstracts** must:

- Be submitted in English
- Be limited to 300 words (excluding information about authors and final key words)
- Use font Arial, size 10
- Have the title in bold-print, and font size 12.
- List author(s) starting with name of presenter: first and last name, degrees and/or titles, name of organisation, city, country, and e-mail address
- Include:
  - Problem statement and aim
  - Approach/method(s) used
  - Results and conclusion(s)/implication(s)
  - Alternatively, more practical papers may use other headings
  - Up to 5 key words for the abstract/paper, (concepts such as 'Work organisation' here count as only one word).

**Full papers** must include:

- An abstract and be limited to 10 pages
- The usual headings e.g., Introduction, methods, results, discussion and conclusions, or for more practical papers other headings may be used
- A peer-review.

**Posters** must include:

- An abstract with key headings and sections clearly outlined.
- The formatted poster can simply be presented at the conference.

**Workshops** must include:

- An abstract and a 'run sheet' for the workshop clearly outlined.

Submissions are to be made electronically to [conference2023@hfesnz.org.nz](mailto:conference2023@hfesnz.org.nz). Accepted abstracts and papers will be published in the conference proceedings.

**Student prizes**

A prize of NZ\$500.00 will be awarded to the two best student or young practitioner paper/presentation. Students or emerging HFE professionals must follow the submission instructions above.

**Best submission/presentation**

There will also be a prize for the best submission and presentation.

General enquiries about the conference should be made to the conference convener, Stephven Kolose [Stephven.Kolose@worksafe.govt.nz](mailto:Stephven.Kolose@worksafe.govt.nz)
