

Human Factors and Ergonomics Conference

5th to 7th July 2023 - Millbrook Resort, Arrowtown, New Zealand

Call for Abstracts

We welcome abstracts relating to our conference theme of HFE *servicing people and the impact human factors and ergonomics can make*. All aspects of human factors and ergonomics can be considered, including practical application, methods development, research, and industry issues. Papers that emphasise cognitive and/or physical ergonomics, health and safety, HF systems, design, human/machine integration, diversity, inclusion and/or innovation are all welcome.

Conference plan

The conference will open with drinks and canapes on 6pm on Wednesday 5th July, followed by two days of presentations and interactive sessions on Thursday 6th and Friday 7th July. The conference dinner will be on Thursday 6th July at Millbrook.

Key dates

Abstract submissions open: 17 January 2023

Abstract submission close: 3 March 2023

Abstract notifications by: 27 March 2023

Full paper submission (optional) close: 24 April 2023

Full paper notifications by: 22 May 2023

Submissions

We have a one-step submission process where you can choose to submit an abstract, full paper, poster, or workshop session. You can access instructions on the HFESNZ website and are to submit your abstract to:

conference2023@hfesnz.org.nz

Registration

Early bird registration by: 28 February 2023

Standard registration by: 4 April 2023

Late registration by: 20 June 2023 (unless sold out prior)

Venue

Millbrook is a 650-acre golf and lifestyle resort in Arrowtown, Otago, which is approximately 16km drive from Queenstown Airport and 19km from downtown Queenstown. For those of you who prefer not to stay at the conference venue, there are several other accommodation providers in Arrowtown. The closest ski field is Coronet Peak, but there are other ski fields within a 1-hour drive (The Remarkables, Cardrona).
